

Master Services Agreement - DataFlow Systems (Contract ID: CTR-10047)

Recitals:

This Master Services Agreement is entered into between Acme Industries ('Client') and DataFlow Systems ('Vendor') for the provision of data pipeline engineering services.

Indemnification:

Vendor shall indemnify and hold harmless Client against losses resulting from Vendor's gross negligence or willful misconduct.

Limitation of Liability:

Except for indemnification obligations, Vendor's total liability under this Agreement is limited to the fees paid by Client in the twelve (12) months preceding the claim.
